

European Suzuki Viola Gathering 2019

**Casa E. San José,
El Escorial, Spain
February 15-17, 2019**

Registration Now Open

We are pleased to announce that registration is now open for the second European Suzuki Viola Gathering. ESGV 2019 will be held in February 2019 in the beautiful Spanish town of El Escorial.

ESVG 2019 will build upon the sense of community established at ESGV 2017, and will be a wonderful opportunity for Suzuki viola pupils, teachers, families and interested observers to meet and to play music together.

The Casa E San José will be an ideal setting for the Gathering. It is a spacious residential facility with large gardens and classrooms, and is a pleasant walk from the UNESCO World-heritage designated *Monasterio de El Escorial*.

ESVG 2019 is being organized in cooperation with the *Federación Española del Método Suzuki*.

ESVG 2019 is a workshop for Suzuki viola students at all levels, and will include opportunities for all family members to share in the music making.

Closing Concert at ESGV 2017

The programme will include

- Opening play-in
- Traditional viola group classes
- Viola choir and viola ensemble
- Viola for violinist classes for Suzuki violin pupils and teachers
- Viola for parents class
- Parent/teacher round table
- Teacher brunch and discussion session
- Teacher ensemble – reading session
- Saturday evening viola recital
- Final concert Sunday afternoon

Accommodation and Meals

Accommodation and meals will be available on-site at the Casa E. San José.

Location and Travel

El Escorial is 45 kilometres northwest of Madrid and is very easy to reach by local train (Cercanías) from Madrid and from Madrid Barajas Airport, and also by a frequent bus service from Madrid.

Driving time from Barajas airport is approximately 50 minutes.

The Casa E. San José is a 5-10 minute walk from the train station in Escorial, and is very close to bus stops.

Monasterio El Escorial

Registration

Online registration for ESGV 2019 is available at <http://www.federacionmetodosuzuki.es/esvg-2019.html>
